## FIRE RESTRICTIONS ANNOUNCED

Due to the very high fire danger in Southwestern Utah federal and state fire management officials have announced fire restrictions beginning Wednesday, July 14, 2004, at 12:01 a.m. These restrictions will apply to all public and private lands in Washington, Kane, Garfield, and Iron Counties, and private and state lands in Beaver County, west of I-15. Fire restrictions will remain in effect until rescinded.

The following acts are prohibited on the above-mentioned lands:

1. Setting, building, maintaining, attending, or using open fire of any kind, except campfires within approved fire pits and grills provided for, in improved campgrounds, picnic areas, and permanently improved places of habitation, or except as otherwise authorized. Devices fueled by petroleum or liquid propane gas (LPG) products are allowed in all locations.
2. Smoking, except within an enclosed vehicle, camp trailer, or building, a developed recreation site, or while stopped in an area at least three feet in diameter that is barren or cleared to mineral soil.
3. Discharging, or using any kind of fireworks, tracer ammunition, or other incendiary devices in any location on federal, state, and unincorporated private lands. (Note that these acts are always prohibited on Federal Lands.)

### Exemptions:

- Persons with a written permit that specifically authorizes the otherwise prohibited act.
- Persons conducting activities in those designated areas where the activity is specifically authorized by written notice.
- Any federal, State, or local officer or member of an organized rescue or firefighting force in the performance of an official duty.
